

Coffee Descriptions

New England Coffee

New England Breakfast Blend

The finest beans from Central and South America in a hearty, medium roasted wake-me-up blend.

100% Colombian

Contains supreme, extra large and peaberry beans all without imperfection. Rich aroma, mild acidity and a full-bodied flavor are its signature.

New England City Roast

Breakfast Blend roasted slightly darker for the coffee drinker that likes full-bodied flavor without a dark roast taste.

Colombian Decaf

A smooth, mellow decaf using only 100% Colombian beans, so flavorful you won't believe that it's decaffeinated.

New England Full City Roast

This 100% Arabica blend is roasted medium brown for full-bodied flavor and a smooth clean finish. This classic blend is appropriate any time of day; before, during, or after a meal.

French Roast

A rich and aromatic coffee with a smooth flavor that is ideal for the dark roast coffee drinker.

New England EyeOpener Blend

An award winning blend of rich Colombian and Central American beans with zesty French Roast.

San Francisco Blend

Rich, aromatic French Roast with the distinct flavors of medium-roasted Kenya AA and Sumatra Mandheling.

Starbucks Coffee

Breakfast Blend

Mild and flavorful, this light-bodied blend makes a bright first impression and is a wonderful cup to begin your day. This blend of Latin American coffees offers a milder flavor than our House Blend, due both to the selected coffees and the slightly lighter roast.

Café Verona

Starbucks most popular coffee, Caffè Verona® is a versatile, complex blend, combining great Latin American and Asia Pacific coffees with a touch of Italian Roast. Great in a coffee press, drip brewer or even as espresso. Every Starbucks barista receives a pound of coffee every week, and Caffè Verona® has been our baristas' favorite for many years.

House Blend

A wonderful, straightforward blend of Latin American coffees. The bright flavor is tempered with a round smoothness and end with a clean finish. House Blend is the Starbucks coffee most often brewed in offices, restaurants and other dining establishments the world over.

Sumatra

Sumatra has a full, syrupy body with virtually no acidity – so the coffee's intensity lingers in your mouth. The concentrated spicy, herbal notes and earthy

aroma are the telltale signatures of this well-loved coffee. The island of Sumatra produces 70% of Indonesia's income and is home to over 38 million people.

Decaf House Blend

This clean-finishing decaf offers round smoothness in a balanced, straightforward cup. Starbucks signature blend without all the caffeine. This Latin American blend is a true coffee classic.
